# BOARD OF EDUCATION

FIRST ROW: Irvin Clary, Warren Brown, James Rice.

SECOND ROW: Raymond Sponseller, Irvin Kocher, John Striker, clerk.

It does not just happen that the graduates of Sulphur Springs School are successful in what ever they choose as a life work. We are very proud of our alumni and our school. We, the Class of 1950, pay a special tribute to our Board of Education, and other men of our community who have acted in that capacity during the past twenty years. We, as a class, know that it was, and is, this group which has provided for us, our teachers, and our building.

We, the Seniors, wish to thank our board members for services rendered to the school and the community.
